

Hero

by Pete Sahaidachny

It's all an attitude
Or so that's what they say

I wanted to be your sex symbol
But symmetry fades with age

I wish I was your hero
But I'm just an ordinary guy
(Exotic rhythm)

As your definitions widen
Life would be better without the wrongs

If I could impart some wisdom
The lesson is (just) to try

I wish I was your hero
But I'm just an ordinary guy
(Exotic rhythm)

I wish I was your hero
But I'm just an ordinary guy
