

# Information Overload

by Pete Sahaidachny

On the radio,  
In (the) magazines,  
On TVs,  
Computer screens

Everybody's tryin'  
to sell me something,  
Shit that I don't need!  
Just distractions,  
between You and Me

Information Overload

Capture my time,  
Brainwash my mind,  
Service with a smile,  
Go the extra mile

Value perceived,  
Everything I need,  
Cut me in the side,  
And watch me BLEED!

Information Overload
