

# **Unleash The Beast**

by Pete Sahaidachny

[Intro riff: 3/4+4/4 ]

Breaking down  
Walls

Falling to the  
Ground

Unleash The Beast!  
That rages inside of me

Feed your instincts  
This. Is. What. The. World. Can. Be.

Poison leaving  
The stream

Changes in the  
Chemistry

[guitar solo]

Unleash The Beast!  
That rages inside of me

Feed your instincts  
This. Is. What. The. World. Can. Be.

[Outro riff]
